7.3 Institutional Distinctiveness

7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust within 500 words

Response:

Holistic student development

Holistic development is an integral part of our institution since it promotes overall growth, sense of well-being and students become not only aspiring doctors but also responsible citizens and lead a life with purpose, content and fulfillment. Our institution is situated in a very peaceful atmosphere surrounded by trees that promotes harmony and integrity.

Yoga classes are conducted regularly in our institution that orients the mind and body and enhances spiritual growth. In today's world even youngsters face mental health issues and focusing on ones abilities is the best way to combat the same. In that sense **Art and Cultural Festivals** are held each year where in students exhibit their talents and are encouraged to build their innate skills.

Emotional intelligence plays an equally important role in the success of a person. To emphasize the same **Mentor – Mentee Program** is followed in our institution where students have one to one interaction with the staff and any learning difficulties are addressed and students are motivated the give their best performance in their examinations and emerge as toppers. Apart from the academic performance the program also monitors the student’s personality and dress code.

Group discussions among staff and students are conducted on a regular basis for NEET- MDS preparation and all career options including Army Dental Corps, research and other options abroad that helps them find their place in the fast emerging and competitive world. Skill enhancement programs for are being conducted on a regular basis during the internship period. Counselling is given to students especially girl students and any issues are addressed by trained counselors. **Competitive Exam Training Program** was conducted in association with Veranda IAS Learning Solutions, Chennai and RVS group of institutions.

Physical activity is encouraged through gym and other sports facilities like basket ball, badminton court, foot ball and cricket ground, table tennis, carom and chess are available in the campus.

Social responsibility is inculcated through various activities organized in our institution. **Swach Bharath** campaign was organised and students actively participated to create awareness. **Blood donation awareness program** was conducted as it serves as a life saving measure in most situations.

Dental camps are conducted on a regular basis in schools, colleges and various out-reach programs are conducted in old age homes. Awareness camps are being conducted every year on World No Tobacco Day at various places in and around Coimbatore where in pamphlets are distributed that explains about the consequences of tobacco usage.

An MoU has been made with Dr.Muthu's Hospital, Saravanampatti to develop strong Collaboration in Maxillofacial Surgical procedures & Special Dental Treatment, Observation of the patients, ICU postings for postgraduates.
